

# Whose Agenda?

- Clinton and Obama Push the same communist goals. They both vote for unconstitutional foreign aid.
- Neither one of them has lifted a pen to get us out of the communist UN.
- Neither one of them has lifted a pen to get rid of activist federal judges.
- Neither one of them has made any attempt to abolish the Federal Department of Education, one of the greatest failures by government.
- Both of them are pushing some sort of mandatory health care which is unconstitutional, period.

These are just a few in a long list.

Each sits in office under a constitutional amendment that was NEVER properly ratified:

States must force 17th Amendment showdown

Neither Obama nor Clinton has any right to sit in the U.S. Senate, draw a paycheck or vote on any piece of legislation.

Partial list of communist goals promoted and supported by Obama and Clinton:

Provide American aid to all nations regardless of Communist domination.

[Get control of the schools](#). Use them as transmission belts for socialism and current

Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

Present homosexuality, degeneracy and promiscuity as "normal, natural, healthy."

Support any socialist movement to give centralized control over any part of the culture-- education, social agencies, welfare programs, mental health clinics, etc.
